

A note of appreciation to the entire team of Sanskriti School, Pune :

Last August when we relocated from Mumbai to Pune in the middle of the academic year, you were the only one who took cognizance of our difficulties and accommodated our son Sriraam Iyer in Sr Kg.

Since our son was borderline ADHD, we were assisted by Ms. Preerti Singh's able counseling. His class teacher Ms.Varsha bestowed constant attention towards our son and left no stone unturned in guiding him. We are overjoyed with the giant strides he has made in the past year and the entire credit goes to the Sanskriti School.

Off late we have been assisted by Ms.Monica's counseling on various therapies for him.

The best part about the school which we felt needs to be highlighted was the way the Parents Teacher Meetings are conducted. Two weeks back when we went to collect the Report Card for my son, we felt the arrangements made by the school were amazing with great attention to detail.

Right from the entrance, the security guards greeted all the parents and assisted them with a warm namaste and a big smile.

Signboards in the main lobby and a keen group of admin staff assisted in every possible way to help us reach the classrooms of the wards.

The classroom boards had all the information / instructions for the Parents. The waiting arrangements were also excellent. The admin and Support Staff ensured the comfort level of the parents.

The Class Teachers were kind enough to explain each and every aspect in detail about the wards.

The setup of the Book counter was excellent - an arrangement by which parents could buy the books on time without necessitating a trip to the book vendor.

Even the School Bus Drivers wore the Route Number Badged with the manifest (name list) of wards - with the pickup and drop details.

Multiple payment counters also ensured smooth and speedy payment process without any delays.

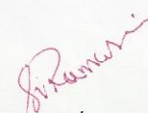

The whole thing was well organized. We noticed Nishath Faruqi and Radika of admin office were enthusiastically addressing additional queries from the parents.

It is said that, "A Team is only as good as its weakest link". In the Sanskriti school there aren't any weak links.

Under the stewardship of Mrs.Devyani Mungali we are sure that Sanskriti school is rendering great Academic Service and has become a role model for other schools not only in Pune but also throughout India.

Kudos to the Team !

Sreekanth Iyer

S.V.Ramasri.
